Partners Marie Fraser, Nancy Nicks, Jacob Milosek, Blair Duffy, Todd Hamilton, and David Ienzi are pleased to welcome Jennifer Dawe to the Firm's partnership. Jennifer is passionate about client service and is committed to helping entrepreneurs successfully achieve their financial goals.

Jennifer Dawe, CPA, CA

Personal and corporate taxes are notoriously complicated, frustrating, and often stressful. Jennifer enjoys the challenge and fast pace of the constantly changing environment. At Hendry Warren, she works with a dedicated team who have the resources, experience, and skills to address the hurdles faced by taxpayers.

Whether your business is a start-up, is into its third decade of operations, or anywhere in between, it may be time to evaluate your structure to identify opportunities for tax savings and deferrals or plan for succession. Jennifer is a specialist in this area of practice and designing and implementing productive plans for business owners is her passion at work.

Jennifer is a Chartered Professional Accountant and has completed the CPA Canada's In-Depth Tax Course. Born and raised in Newfoundland and Labrador, Jennifer came to Ottawa to study Commerce and Accounting at Carleton University. She became a fulltime employee at Hendry Warren LLP in 2010, after 3 years as a cooperative education student with the firm and obtained her Chartered Accountant designation in 2012.
